Ei International Foundation (EiF) was established in 1989, founded by a Geraldine Hernandez-Martens. This Foundation is an Organization is to promote the Cultural Heritage of the Filipino Arts here & abroad. These is compose of young talented youth & other honorary members around the globe who share the same passions & love for arts, design & music.

In 1996-1997, EiF was established in USA and Europe thru the incorporation of the European & Chicago-based Affiliation to further & strengthen it's ties to foreign affiliates. Ai serves as a venue for each members to hone their creative talents & skills in producing works (especially in arts, design & music) which showcase the diverse yet Filipino / Foreign Culture.

At same time, it encourage other individuals to discover & develop their adeptness in the arts, designs & music by conducting workshops, seminars, travel, tours, events around the world, which learn & experienced them the reality & basic techniques / styles in composing, drawing, illustration & creative designing as well.

These art / music / design sessions / workshops is designed to engross its members & individuals on a worthwhile undertakings instead of engaging into drugs & other harmful activities. And Likewise aim to help out-of-school youths, specially the gifted children to learn, develop & earn for a living.

This organization / foundation believes that developing each members & other individuals brimming potentials can contribute thru uplifting each nations arts, design, music & cultural heritage. Since the art, music, design & culture can never be separated to the context of the society where they thrive.
